

How time flies...

*Can't believe your child's high school graduation is right around the corner? Buy your senior a **yearbook ad** to tell them how proud you are of their achievements!*

Senior year is a very special time, and you have the opportunity to remember it with a very important memento in this year's yearbook.

Tell your senior how you feel about them graduating through a Senior **Yearbook Ad** in the *Warrior*. The ad will contain your message & photos of your senior. The message could be anything you want to say to or about your senior, and photos can include baby pictures, senior photos, or any pictures that are special to you. *Don't miss out on this once-in-a-lifetime opportunity.*

Two options for submission:

- Email your message and .jpg images to uhswarrior@uticak12.org, mail in your check or money order payable to *Warrior*.
- Fill out the information & send us the digital image(s) you wish to be included, along with a check or money order payable to *Warrior*.

Please note that we are unable to return any photographs. We recommend emailing digital images or mailing images on a CD.
